Contents

1	The First Chapter	1
1.1	PigeonHole Principle	1
2	The Second Chapter	3

Chapter 1

The First Chapter

1.1 PigeonHole Principle

Theorem 1 (PigeonHole theorem). *Let n and k be positive integers, and let $n \geq k$. Suppose we have to place n identical balls into k identical boxes. Then there will be atleast one box in which we place at least two balls.*

Chapter 2

The Second Chapter
